

Acknowledgement

MISA gratefully thanks Indian Scholar Journal for giving us opportunity and continuous support to publish the selected research papers in a special edition magazine of their esteemed Journal. Or sincere gratitude to the honorable keynote speakers for taking out their precious time to motivate the participants. The conference and hence the paper publication would not have been possible without the continuous support of Session Chair, Technical Review Panel and National Advisory Committee. An extended thanks to the Conference Chair for bringing up this idea, introducing it for the teachers in the second year of MISA Luminous Spark and leading it to a successful completion.
